DECLARATION AND DISCLAIMER FORM

I declare that I am fully conversant with the Rules of the Midland Road Records Association and will keep myself informed of any future changes to those Rules. I undertake to abide by them and to participate in any drug testing programme approved by the Association, whenever required to do so.

I understand that my participation in record attempts is entirely at my own risk, that I must rely on my own ability in dealing with all hazards, that I must ride in a manner which is safe for myself and all others on the public highway, and that the responsibility of any official or member of the Association or any other person assisting is only to indicate direction or action and that I must decide whether any movement or otherwise I take is safe.

I agree that no liability whatsoever shall attach to the Midland Road Records Association, or any official or member of the Association, or any person acting on behalf of the Association, in respect of any injury, loss or damage suffered by me, or anyone connected with me, in or by reason of a record attempt, however such may be caused and whether by negligence or otherwise.
